## A Life Income The Best Legacy

MARSHALL BROTHERS Manufacturers of Manila and Wrapping Paper

Manager The Mutual Life Insurance Co. of New York. YORKLYN, Del., Nov. 17.

Dear Sir: I have received policy for \$20,000, issued to me in favor of my daughter on the continuous instalment plan.

My daughter is but eighteen years of age, and this contract guarantees to her \$1,000 at my death, and \$1,000 per annum as long as she lives, and to pay not less than twenty instalments even if she should not live twenty years after my death. The reason I am so much pleased with this policy is based upon the fact that I fully realize, that no matter how much money I might leave my daughter at my death I would have no guarantee that it would last her through her entire lifetime.

The Company's liability under this form of contract might be \$50,000 or possibly \$70,000, if my daughter should live to be as old as some of her ancestors. Yours very truly, ISRAEL W. MARSHALL.
